### AEC 1 :- Environment Law and Policy

<b>Ability Enhancement Course (AEC) or Skill Enhancement Course (SEC)</b>	
<b>Course Title : Environmental Law and Policy</b>	
<b>Course Code : AEC-I/SEC-I</b>	<b>Credit 5</b> (there shall be 5 units each consisting of one credit)
<b>Coursr Offered in : Semester- II</b>	
<b>Course description :</b> Law and policy plays a major role in the conservation and management of natural resources as well as pollution control. This course intends to introduce the students to the vast field of Environmental Law and Policy. The Course would be divided into three broad areas. The first part would cover the basic concepts and principles of Environmental Law. This would include judicial presedents, which now forms an essential part of environmental jurisprudence. The second part would be divided into specific introductory modules on forests and wild life including bio-diversity related laws; Air and Water related laws including mega projects and marine laws; and laws relating to hazardous substances. The third part would discuss the role of judiciary including the National Green Tribunal in protecting the environment.
