CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college conforms to the curriculum designed by the university it is affiliated to i.e., J. P. University, Chapra. Care is taken that it is implemented in totality and in the most effective manner. The faculty is also encouraged to evaluate the curriculum and forward the critique at the Board of Studies meetings so that it meets the changing needs of the times. The principal holds the meetings of the Staff Council, Academic Council, Internal Quality Assurance Cell (IQAC) and the Heads of the Departments to develop action plan for effective implementation of the curriculum. In these meetings there are intensive and extensive deliberations. Many strategies and plans, such as assignments, formative, summative and term

tests, discussions, presentations, seminars, workshops, industrial visits, computer educations are evolved apart from regular teaching methods. The progress of the syllabus is monitored through getting the feedback from the students by senior most members of faculty and communicated to the IQAC and the Principal for review. An effective curriculum is always evolving and roping in the new and relevant stuff. The functioning of university academic bodies ensures the participation of college teachers as they are the ones who know the difficulties of translating the curriculum in practice. The heads of the departments invite feedback on the curriculum and make sure that it is communicated at the Board of Studies meetings. The yardstick of measuring the relevance of curriculum is the response of the students and alumnae. The faculty members make it a point to emphasize the portions of the syllabi where the students show signs of rapid learning and attempt to eliminate the muddled and obscure concepts. The feedback not only of the present students, but also of the old students is constantly kept in mind while seeking modifications To stir and motivate underperforming students, the College provides remedial classes. The mentoring programme for all students helps them to face the academic and personal challenges continuously. By providing worthwhile feedback to students on their learning skills based on variety of assessment strategies, optimizes their potential to progress. Family members are encouraged to have direct involvement in education through Parent - Teacher meetings. The college has a rich library in print as well as electronic form (e-Library). The college is member of INFLIBNET N-List and DELNET. Faculty members can access different databases of scholarly materials from these networks. The faculty can get all the support they require for teaching the curriculum and also learning about the latest developments in their subject and the means to transmit it to the students. .

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Continuous Internal Evaluation system is a perfect tool for assessing students progress throughout the whole academic session. At post graduate level, it is a essential component of examination where marks are allotted on basis of midterm written exams and assignment questions. Special classes are conducted for group discussion, viva voce and mock interviews. Students are encouraged to participate in these exercises and teachers continuously evaluate their performance and help them to improve. At graduation level, midterm written class tests are conducted to evaluate and rectify their shortcomings. Continuous internal evaluation is also done at institutional level by organizing essay, speech, poster competitions on regular basis.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Our college being a constituent college, follows the academic calendar prepared by our parent university, jai Prakash university. The university prepares annual academic calendar, mentioning date of application, admission, starting of classes, date of practical, examination every academic year and our college follows it in toto. Classes are organised according to this calendar and a sincere effort is made to finish the course within the stipulated time frame.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Industry Interaction / Collaboration	chapra being a semi urban town lacks industilization. Some scall industries are situated in the periphery of the town. Through various projects as well as case studies, students interact with enterapreaneurs of these industries. Students also interact with those people who are engaged in unorganised industries and sectors. Case studies and preparation of project report is essential part of curriculum of BBA, Botany, Zoology, Economics and Geography. Faculty members of these courses conduct study tours to these industries to acquint students with working of these industries.
Admission of Students	Admission of Students Admission of students is done centrally by the university through online method. Students are supposed to give their preference of college and they are allotted college according to the merit list and reservation policy. Admission list is sent to colleges and admission id done by the college through deposit of admission fees trough challan. Rajendra college also follows offline admission method for vocational courses like BBA, BCA, BIOTEC. Admission test for these couses are conducted and students are admitted according to merit.
Library, ICT and Physical Infrastructure / Instrumentation	In coordination with other academic support units on campus, the Library provides services that support the College's diverse curriculum in Arts, Commerce, Science and Computer Applications. The impressive collection of books, journals and other library material provides resources to explore all areas of human knowledge within the framework of learning. Internet facility is available for all library users. The use of ICT as a learning resource, which enables individualized instruction and collaborative learning, is being

	used by a couple of departments. ICT rich environment is being further developed to encourage students to become more focused in their learning.
Human Resource Management	Human resource management .is a essential component of functioning of any institution. Rajendra college strives to provide congenial working atmosphere aimed at allround development of its teaching and non teaching staff. Teachers are encouraged to attend orientation programmes, refresher courses and new courses to enhance their academic skills. Non teaching staff are encouraged to develop their IT skills. Public Distribution System is also functional in the college under co-operative society of college staffs, it provides household item on subsidized rate.
Examination and Evaluation	Examinations are conducted by the university. The role of college is limited to conducting exams in fair and efficient manner. Our college has a examination buildingfor conducting university as well as college exams. A examination board looks after all the works related to conducting exams. At college level, examination controller and two assistant controller of examinations look after this work continuously. Evaluation work is carried by teachers who are appointed as evaluators by the university
Curriculum Development	Though the curriculum is designed by the University, the goals and objectives of the curriculum are transmitted to the students with the efforts of the Faculty by teaching beyond classroom and curriculum. . The Institution provides a wide range of courses/programmes in Arts, Commerce, Science and Vocational studies at Graduation and Post-Graduation levels. The College has a limited role in designing the curriculum as it is decided by the Jai Prakash University, Chapra however some Faculty members take initiative and contribute in designing the curriculum as members of the Board of Studies/ Syndicate/Senate, J.P.U, in different subjects. . This mechanism helps in identifying the new courses/ programmes subjects that can be introduced in the ensuing academic sessions. The frequency of curriculum update or syllabi revision depends on the University. To stir and motivate underperforming students, the College provides remedial classes.
Teaching and Learning	The college has an Internal Quality Assurance Cell (IQAC) that meets periodically to discuss the various issues regarding teaching-learning and evaluation. The college follows the guidelines laid down by the Government of Bihar in matter of reservation. It is a co-educational institution, and in some disciplines the number of girls exceeds that of boys. For differently-abled students also, there is a reservation policy. Freeship is given to economically marginalized students For all-round development of students, the

	college offers a proper blend of academics and sports. Before the commencement of various programs, there is an orientation program in which the students are made aware of the traditions and objectives of the college. The college is sensitive to the needs of disadvantaged students for whom remedial classes, counselling and special classes are organized. The academic progress of students are carefully and continuously monitored. Great emphasis is laid on assignments and continuous internal evaluation. The college lays great stress on attendance.
Research and Development	As regards research, consultancy and extension services, the college has a long tradition of promoting research work, it always keen to provide appropriate supportive measures to teachers and students engaged in research and project works. The college remained the research centre of Jai Prakash University, Chapra for no less than a decade. The College promotes research by granting study leave under UGC Faculty Improvement Programme. Teachers have published research papers and have presented papers at various National and International Conferences/ Seminars. The students of B.Com, M.Com, BCA, BBA, BJMC and Biotech undertake projects and teachers take special interest in guiding their students. Faculty is also engaged in supervising the research projects of students from other universities. In the near future the College may initiate collaboration with other Institutions for research.

6.2.2 – Implementation of e-governance in areas of operations:

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college was established before India got independence a mission to create awareness among the people about their rights and to empower them through education ushering in holistic development of human personality. Till today, it provides education to those who need it the most as a large number of our students come from the countryside and they are educationally and socially backward. To establish a just, plural, secular, tolerant, argumentative, composite and equitable society, in consonance with our cherished democratic values of justice, liberty, equality and fraternity has been our aim and objective. The college arranges its own scholarships and fee concessions for the poor, downtrodden and differently abled students. Our purpose is to provide quality education to the young students in terms of the latest scientific and professional knowledge along with inculcating moral values and social and spiritual values so as to make them sensitive, responsive, empowered and good citizens and fine human beings. Our endeavour has been to help maximum number of students, especially from rural areas and from the weaker sections of society to have access to higher education. To bridge the demographic divide with knowledge and higher education the institute is conscious of its role and commitment to society in producing enlightened citizens and holistic development of human personality. The college undertakes a number of community oriented activities in its periphery: The college has two NSS units and it enrolled 300 students this year. A village in the neighbourhood is adopted by NSS for its activity. Under NSS programme the College regularly organizes Blood Donation Camps with the help of Civil Hospital, Chapra. The NSS programme regularly organizes camps in the nearby villages, the purpose being to inculcate a sense of dignity of labour and fraternity among the students and to sensitize the villagers to clean and green India. Our NSS volunteers also take part in tree plantation drive from time to time. Girls also actively participate in these camps.
